IMPORTANT -- Your Warranty is Enclosed.

If you've been looking for an old-fashioned certificate of warranty with this appliance, there is something we should tell you right now.

Stop looking!

You don't get that kind of warranty certificate with this Whirlpool appliance. . .or with any other Whirlpool home appliance.

Instead. . .the letter in this envelope tells you about the warranty on this Whirlpool appliance and contains some other information we believe you will find helpful.

You should know that this warranty applies only in the United States. If you live outside of the United States, please ask whoever sold you your appliance to tell you how our warranty applies to you.
